

## Immunisation course/activity reflection

The Immunisation Advisory Centre provides education for safe vaccination practice in New Zealand and to ensure health professionals have the appropriate competencies to vaccinate safely within their scope of practice.

Name \_\_\_\_\_ Reg No: \_\_\_\_\_ Date of reflection: \_\_\_\_\_

Course facilitators \_\_\_\_\_ Date of course: \_\_\_\_\_ Number of hours \_\_\_\_\_

The questions in the left-hand column are a general guide for your reflection and are optional. This reflection can extend evidence in a professional portfolio or for a professional audit.

Why did you choose this course/activity? How does it relate to your practice?	
What did you learn?	
Does this influence or raise issues for your practice in any way if so, how?	
Will you share your findings with colleagues?	
Did the course stimulate further questions or lead to further activities such as use of new resources or processes? If so what/why?
